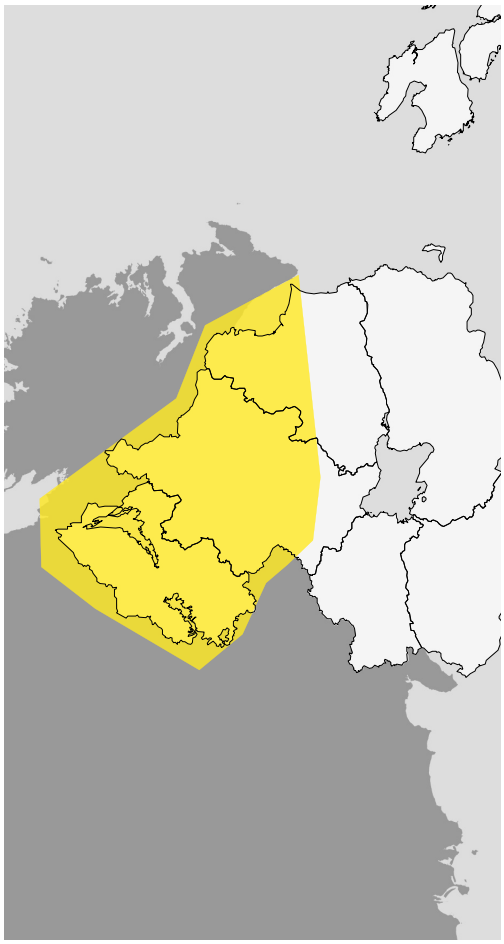
Yellow warning
Rain

Between
18:00 Sat 21 Sep 2019 and
23:59 Sun 22 Sep 2019



Some heavy showers and thunderstorms are expected to continue to affect the west of Northern Ireland on Sunday night.

What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Interruption to power supplies due to lightning is possible

Further details

Some heavy showers have aligned into a more persistent area of rain over the west of Northern Ireland on Sunday evening and these may persist until around midnight on Monday morning.

A further 15-20 mm of rain could fall in an hour in a few spots with perhaps 30-40 mm in a few hours before the showers ease.
